Personalize your ornament purchase by adding a 2021 year charm. Makes a very nice gift!

Unfortunately the shopping cart function I am presently using with this website does not allow for customization pricing options (they hope to soon).

So......To order an ornament with charm option (cost of ornament + .75 for charm + shipping)

Please go to the custom order page and fill out the contact form with ornament choice and option of a gold or silver charm.

Once the order is agreed on, I will send an invoice for payment.

Silver or gold charm available Charms are approximately 1/2" long
